

Friends of the Library of Columbiana

The Friends is a non-profit organization whose purpose is to support the Columbiana Public Library through volunteer work, fund raising and donations. Funds are raised solely through book sales held once or twice a year, as well as the on-going cart sale in the Library lobby.

We sponsor the Summer Reading Program and other special activities, monitor the Art Show and purchase equipment and supplies for the Columbiana Public Library.

Membership is effective for one year, from January to December, and entitles you to attend Preview Night at our Book Sales. You may pay membership for multiple years, if you wish.
